ABOUT THE INSTITUTE

Prasad V Potluri Siddhartha Institute of Technology is established in 1998 with a great vision of producing quality technocrats, the college achieved its dream through meticulous planning of the administrators and the strenuous effort of the faculty. The Institution has attained success in creating the zeal for learning in the students. It is permanently affiliated to Jawaharlal Nehru Technological University, Kakinada. As a result of its concentrated efforts to attain quality, it is conferred Autonomous status in 2012. Certified by ISO 9001:2008, the college is accredited by National Assessment and Accreditation Council.

Since its inception, the college is marching ahead by emphasizing the all round development of students. Apart from the academic excellence, the focus is on co-curricular and extracurricular activities. Students at this college are trained to transform into a full fledged individual by practicing a strong ethical code. They are ready to face the challenges of the future. They are intellectually wise, emotionally balanced and culturally adept.

The college stands as a symbol of academic excellence. With the departments headed by the eminent personalities, the college

finds it easy to motivate the students to gain knowledge in the emerging areas of technology.

ABOUT THE DEPARTMENT

The department of Mechanical Engineering has been in existence ever since the college has been started in 1998. The department is reaccredited by the National Board of Accreditation in 2016 and is certified by ISO 9001:2008 certification. The annual intake of the students is 120+24 in undergraduate course and faculty consists of 5 Professors, 3 Associate Professors and 25 Assistant Professors.
