

STUDENT COUNCIL

Students are the major stakeholders for any HEIs. The Reputation of the institution is mainly built by the efficacy of its students while in academics and when they are with the corporate world. They play an integral and important role in the development of the institution. In the year 2016, Student Council has been established with an aim to provide a representative structure through which students can take up the issues concerned to the management and undertake initiatives of benefit to the college. Students have a valuable contribution for the effectiveness of the college and their involvement in the operations of the college is itself a valuable part of the education process for the students. To incorporate student participation in the wellness and up gradation of the institution in all perspectives, students are encouraged to be part of administrative & academic bodies and thus enable them to be empowered with planning, leadership skills, accountability nature and learn the importance of being a resourceful individual while working in teams. It provides a platform for students to express their ideas, interests, and views on the issues of concern to them and also render their contribution for the institution to attain its vision, mission and to be a renowned one in the segment.

OBJECTIVE:

- To make students to be part of the development of the institution.
- To enhance communication between students, management, staff and parents.
- To promote an environment conducive to educational and personal development.
- To represent the views of the students on matters of general concern to them
- To develop their personality, organizational skills through interactive programs with the faculty, administration & society.
- To promote the team spirit social responsibility and value formation
- To create a sense of ownership of the college and its activities among the student population.

COMPOSITION:

- Three students (The topper, average & slow learner) from each section of I/IV. B.Tech.
- Three students (The topper, average & slow learner) from each section of II/IV. B.Tech.
- Three students (The topper, average & slow learner) from each section of III/IV. B.Tech.
- Three students (The topper, average & slow learner) from each section of IV/IV. B.Tech.
- One M.Tech. Student from each engineering department.
- Three students (The topper, average & slow learner) from I/IIM.B.A Course.
- Three students (The topper, average & slow learner) from II/IIM.B.A Course.

DUTIES & RESPONSIBILITIES OF THE COUNCIL:

- The committee will meet twice in a semester. At the end of each semester members of student council need to give their suggestions, feedback on curriculum and thus making a step forward for inclusions of the subject in demand.
- Members of student council can delegate the ideas, issues of concern to the principal, management at any given time
- To ensure smooth flow of activities organized by the institution.
- Maintenance of peace and harmony among the student community.
- To help raise funds for college wide activities including social events, community projects.
